Hello David

Thank you for the copy invoice.

We have investigated further and have established the history. In 1995 there was a proposal for the Council to support 5 a side football. At Royston the Council entered into an agreement with the Conservators of Therfield Heath and Greens for use of the land for this purpose. Payments at £100 per annum were made as follows:

17 Feb 2004	for 8 years	£800
26 Feb 2006	for 2 years	£200
22 Oct 2008	for 3 years	£300
17 Aug 2010	for 2009 /10	£100
17 Aug 2010	for 2010/11	£100
1 Aug 2011	for 2011/12	£100

I am informed that the 5 a side football no longer operated and indeed has not done so for many years. The Council no longer requires the use of the Conservators' land and require the agreement to be ended. Please take this email as formal notice to determine the agreement to expire on 30 November 2012 under clause 4.1.2 of the licence dated 30 August 1995.

Would you like us to make arrangements to remove the goal post?

Yours sincerely
