

THERFIELD HEATH & GREENS

Dear Residents

On **Thursday 25 November 2021 at 19:00** the Conservators of Therfield Heath and Greens will be hosting a public meeting by Zoom. If you are interested in attending then please do register for the meeting. After registering (see how to do this below) you will receive the Zoom meeting login details in an email.

Meeting agenda

Covid-19 prevented the holding of the February 2021 SDDR election and AGM and so the agenda of the public meeting has been formulated with this in mind and will be as below:-

1. Welcome
2. Introductions
3. Update from the Conservators
 - Financial situation - 2020 Accounts
 - Draft Management Plan
 - Priorities
 - Election
4. Specific points raised for discussion
5. Next steps and how can you help?

How to register for this Zoom meeting and contribute a question

Please use this link to register in advance for this meeting:

<https://us06web.zoom.us/meeting/register/tZYrc-mvrD0pHNIcQ0g3bXnxJfZ-HIA9nsxS>

After registering, you will receive an automatic reply followed, a few hours later, by a second email containing the Zoom link and the Zoom meeting code for this public meeting.

When registering there is also the opportunity to send us a short question. If you think of a question later then you can email it to the clerk (clerk@therfieldheath.org.uk) and we will try to include it. Regrettably, there may not be time to answer all questions during the meeting.

If you haven't used Zoom before, you don't need an account to join this meeting; you can access Zoom via the link provided (either through your web browser or by downloading the app when prompted). You can do this in advance of the meeting or just before we start at 19.00. We look forward to engaging with you and to receiving your questions and comments.
